

# IMAGINE IF

## EASY READ

### **Who are we?**

We are a Film and Animation Company that make films for charities.

### **Access.**

We want to make sure our films can be watched by everyone.

### **Cost.**

We want to make sure our cost is flexible for both higher and lower budgets.

### **Who we have worked with.**

We have worked with many charities in the past to create films for a lot of different kinds of groups.

### **Who we are.**

We are part of the Production Attic group, and we have been making films since 2011.

## **How to talk to us.**

If you want to talk to us about making a film for your idea you can email or call us.
